

Payment options and conditions

Please note:

1. Regrettably we cannot accept cash payments unless for special reasons and if so, only via prior agreement
2. All payments are due in advance and in full although we can accept weekly and monthly payments for courses longer than 4 weeks
3. The school sends an invoice together with the letter confirming your course. Please use the invoice number when making a payment
4. Please make payment with a bank transfer from any UK bank. If you pay from an account outside the UK, use the link on our website or on the invoice to pay via TransferMate so you can avoid bank charges
5. You can set up a standing order for courses longer than 8 weeks
6. If you wish to pay with a credit card, please discuss this with the Admission Office as this may incur a small charge and depends on the card you use. Please note that this option is only available with a 'Pay by Link'
7. We apply a discount to payments made in full
8. Please read the school Terms and Conditions before accepting your course
9. There may be a further discount if two students from the same family apply for a course but this is at the school Principal's discretion and this is discussed during your interview
